

# 2011 Census - Benefit Application

This form can be used to arrange a lump sum payment from your AGEST account to another super fund or directly to you.

## Important notice

Please note the following before you complete this form:

- ▶ AGEST's Product Disclosure Statement (PDS) contains important information regarding your AGEST benefits. You should read the PDS before making an investment decision.
- ▶ AGEST handles your personal information in accordance with a set of National Privacy Principles. AGEST's privacy policy is available in our PDS, on our website or you can call us for a copy.
- ▶ Benefit payments from your account may impact any insurance cover you have in AGEST.
- ▶ The unit prices used to update your account can go up or down depending on movements in investment markets. You can view the latest daily unit prices and our unit pricing fact sheet online at [www.agemst.com.au](http://www.agemst.com.au) or by contacting us on 1300 724 378.
- ▶ Benefits are usually processed within five days of receiving this form providing it is fully completed, signed and dated and correct identification provided. The payment may take longer if we need to collect further information from you to process your application.

## Providing us with your Tax File Number (TFN)

You do not have to provide your TFN but if you don't your superannuation benefit may be taxed at a higher rate than necessary when you withdraw your benefit from the fund.

Further details on providing your TFN are located in AGEST's Product Disclosure Statement (PDS). Your TFN can be provided on the form attached, through our secure online service or by calling us.

## Eligibility for cash withdrawals

You are eligible to have a benefit paid directly to you if:

- ▶ Your total benefit is less than \$200 and you have ceased employment.
- ▶ You have reached your preservation age (currently 55 for people born before 1 July 1960) and are permanently retired from the workforce.
- ▶ You are aged 60 or more and have ceased employment.
- ▶ You are aged 65 or more.
- ▶ You have permanently retired early due to invalidity or disablement.
- ▶ You have some existing unrestricted non-preserved benefits
- ▶ you have some restricted non-preserved benefits and have ceased the employment that gave rise to those restricted non-preserved benefits (The components of your benefit are shown on each AGEST member statement).

Most pension members can withdraw money from their account at any time however, some members that have established accounts since July 2005 have elected to establish an account with preserved money.

This means that their pension may currently be non-commutable or contain a non-commutable component. Non-commutable basically means that cash withdrawals cannot be made from the account (or from the component of the account that is non-commutable) until one of the above 'conditions of release' are met.

## Eligibility for rollovers

Generally speaking, there are no restrictions on transferring a benefit from AGEST to another fund.

Before you lodge this form, you should considering checking with your other fund that they will accept a rollover from AGEST.

If you are transferring an amount to a self-managed super fund (SMSF), please make sure you review the SMSF information in section 5.2 of this form and provide the relevant supporting documentation.

## 6. PROOF OF IDENTITY AND AUTHORISATION

The cover page of this application includes important information about providing proof of identity documents to support your benefit application. Any documents you provide **must** be certified as true copies by a person authorised to certify documents. Read on for more information.

### Do I need to provide certified proof of identity documents with this benefit application?

For most benefit applications, the answer is **YES**. To safeguard member benefits, AGEST must verify the identity of its members before processing certain requests. The safest and quickest option is to provide certified proof of identity with every benefit application you lodge.

You *must* provide certified proof of identity documents if:

- ▶ you are rolling over any amount to a self-managed super fund;
- ▶ your account balance is \$1,000 or more and you are requesting to close your account by withdrawing or rolling over the **full balance**.
- ▶ your name, date of birth or address details noted on this application are different to the details recorded on your AGEST account.

You can check your account balance or account details by logging in securely to your AGEST account online or by calling us on 1300 724 378.

**Please note that we do not require any proof of identity documents if you are closing your AGEST account and the balance is less than \$1,000 when we process the benefit.** AGEST may also process other benefit applications without receiving certified proof of identity documents on each occasion if we already hold valid certified proof of identity documents for you and you are requesting a payment to be made to the same address, bank account or rollover fund as a previously approved payment. We reserve the right to contact you to verify your application or to request certified proof of identity documents at any time. If you wish to avoid any verification delays, we recommend you provide certified proof of identity with all benefit payment requests. If you have any questions, please contact us on 1300 724 378.
